### The Corporation reports

#### **VISIONSKY CORP. To Acquire Three Private ATM Portfolios**

**July 11, 2006 - Calgary, Alberta** – (VSKY and VSKY.W:CNQ) VisionSky Corp. (the “Corporation”) is pleased to announce that its wholly-owned limited partnership, Transdirect LP has entered into three separate arm’s length asset purchase agreements (the “Agreements”) to acquire three private ATM portfolios from one individual and two privately held corporations.

Under the terms of the Agreements, Transdirect will be acquiring a total of 60 ATMs located in various sites across western Canada for aggregate consideration of \$500,000 consisting of \$200,000 in cash and 300,000 Common Shares of the Corporation issued from treasury, subject to applicable regulatory approvals and securities law. The transactions are expected to close by July 19, 2006 or such earlier or later date as may be agreed by the parties.

The ATM portfolios being acquired consist of ATM sites which are currently being processed through Transdirect LP. Upon completion of the acquisitions, Transdirect LP will receive additional surcharge revenues associated with each such ATM.

“This series of acquisitions enables TransDirect LP to capture significant additional margin associated with transactions originating from each of the 60 ATMs acquired. These acquisitions reflect our commitment to strategically grow and acquire ATMs and to expand our existing core western Canadian portfolio while minimizing cost of services and general and administrative expenses”, commented Preston Maddin, Chief Executive Officer of VisionSky.
